**National Institute of Electronics and Information Technology (NIELIT)**, an Autonomous Scientific Society under the administrative control of Ministry of Electronics & Information Technology (MeitY), Government of India, was set up to carry out Human Resource Development and related activities in the area of Information, Electronics & Communication Technology (IECT). NIELIT is engaged both in Formal and Non-Formal Education in the area of IECT besides development of industry oriented quality education and training programmes in the state-of-the-art areas.

NIELIT has endeavoured to establish standards to be the country's premier institution for Examination and Certification in the field of IECT. It is also one of the National Examination Body, which accredits institutes/organizations for conducting courses in IT in the Non-Formal sector.

At present, NIELIT has 47 offices spread across the country with its Haedquaters at New Delhi, it is well networked throughout India with the presence of 700+ accredited institutes.

## VISION

To be the leader in the development of industry oriented quality education and training and be the country's premier Institution for examination and certification in the field of Information, Electronics and Communications Technology (IECT).

## MISSION

To be the single source for quality assurance in computer education among the nation's non-formal institutes, After turning out competent IT professionals in large numbers, NIELIT reach is now being extended to all regions of the country as well as overseas.

**NIELIT Delhi Centre** was established in March 2000. The Centre is imparting training programs aimed at skill up-gradation and capacity building in emerging areas of Electronics and Information Technology and also handling large projects of Govt. Organizations in different sectors. The centre was initially set-up as Branch Office of NIELIT Chandigarh Centre. Since 1st November 2012, Delhi Centre worked as an independent centre catering to the needs of the National Capital Region (NCR). Since October 2022, NIELIT Delhi Centre is functioning at three locations in Delhi: J anakpuri(Main Office), Inderlok and Karkardooma. Prime objective of NIELIT Delhi Centre is to create skilled manpower in the areas of Electronics, Computer Science, Information Technology and other related disciplines for making available industry ready professionals as well as to promote e-learning.

★ **SUMMER/INDUSTRIAL TRAINING COURSES** ★

| Sr.No. | Name of the Course  | Duration(Hours) |
|--------|---|-----------------|
| 1.     | Certificate Course In Programming through Python                        | 40              |
| 2.     | Certificate Course In Data Science using Python                         | 60              |
| 3.     | Certificate Course In Machine Learning and AI Applications using Python | 80              |
| 4.     | Certificate Course In Web Designing                                     | 40/60/80        |
| 5.     | Certificate Course In Full Stack Development Using Python               | 60/80           |
| 6.     | Certificate Course In Cloud Computing                                   | 40/60/80        |
| 7.     | Certificate Course In Block Chain                                       | 40              |
| 8.     | Certificate Course In Cyber Security                                    | 60              |
| 9.     | Certificate Course In VLSI Design                                       | 60/80           |
| 10.    | Certificate Course In IoT using Arduino                                 | 40/60           |
| 11.    | Certificate Course In Hardware Maintenance                              | 40/60/80        |
| 12.    | Certificate Course In Tally Prime                                       | 40/60/80        |
| 13.    | Certificate Course In Photoshop   | 40              |
| 14.    | Certificate Course In Flash   | 40              |
| 15.    | Certificate Course In Premiere Pro                                      | 40              |
| 16.    | Certificate Course In Digital Marketing                                 | 40/60/80        |
| 17.    | Certificate Course In Data Analytics using Advanced MS-Excel            | 40              |
| 18.    | Certified Course In Office Automation                                   | 40/60/80        |
| 19.    | Certificate Course In Artificial Intelligence                           | 40              |

**Summer/Industrial Training**

The objective of summer training/Industrial training is to provide industrial oriented quality education leading to employment generation. The students get classroom teaching, lab assignments and mini projects. All short term courses of IT and Electronics having duration of 6-8 weeks are commenced in the summer training in the month of May-July and Dec-Jan for college/students of Engineering/BCA/BBA/MCA students, every year.

**Corporate Training**

NIELIT Delhi Centre, has been providing training of tailor-made courses to a number of Corporations and organizations, including many of well known Government Institutions, defence organisations, etc. Our Major clients include Lok Sabha Secretariat, Rajya Sabha Secretariat, National Academy of Broadcasting & Multimedia(NABM), Border Security Force, Telecom Regulatory Authority of India, National Security Guard College of Agricultural Banking, etc.

**Capacity Building/FDP**

NIELIT Delhi has signed MoUs with various colleges/universities and schools to conduct training programs/workshops in upcoming technologies with the aim to equip students with ICT knowledge and skills in order to enhance their employability.

**Training Programmes for DGR**

NIELIT Delhi Centre is training partner for the training to JCO/OR of Directorate General of Resettlement (DGR) for various NSQF Courses of IT, Electronics & Multimedia and Accounting since year 2016. The centre has been conducting training of more than 50 batches of JCO/OR of Army, Navy and Air Force successfully.

**Skill Development and Job Oriented Training Programmes**

- DGE: SC/ST Job Seekers for IT O Level and CHM-O Level
- Govt. Sponsered schemes for Training for CCC/Data Entry/CMD courses (IT For Masses)
- SCSP/TSP scheme of MeitY, Govt. Of India
- Future Skills Prime Project on AI, Cloud Computing, Social Mobile.
- Pradhan Mantri Kaushal Vikas Yojana(PMKVY)
- Work Based Learning(WBL)
- Employability Enhancement & Livelihood Training Program(EELTP)

Admission Link

**Placement Support**

NIELIT, Delhi Centre facilitates the Students of various courses for empanelment for placement in various Central Govt., State Govt. and Municipal Corporation Dept. in Delhi and NCR.

**No Course Fee for SC/ST Candidates for NSQF Courses**
